Good Good Father

Synopsis

Inspired by the #1 hit song "Good Good Father," as heard on Chris Tomlin's new album *You've Heard a Thousand Stories* of what the good King is like. Now discover His great love for your child! Grammy Award-winning music artist, Chris Tomlin, and Pat Barrett (Housefires), team up to tell the story of a little bear named Tucker whose life and townspeople are forever changed when they learn just how great the King's love is for them. When Tucker's friends need help, he goes to see the King who lives in a castle where the door is always open. Tucker wants to take the perfect gift to the King in hopes he will be convinced to help. Along the way, Tucker encounters a variety of humorous animals filled with advice who leave him confused about what the King is like. He doubts whether the King would be willing to help. Just as Tucker is ready to give up, he meets the King who runs to him with open arms offering love, acceptance, and help. With whimsical art created by Lorna Hussey, this precious story will leave children, young and old, reassured that God is a good, good Father, and they are loved by Him.

Grade Level: Preschool - 3

Customer Reviews

With 10 albums, 13 #1 radio singles, a Grammy Award, 21 Dove Awards, and two platinum and four gold albums to his credit, Chris Tomlin is among the most well-known and influential artists in music. His songs include "How Great Is Our God," "Amazing Grace (My Chains Are Gone),"

• Our God, • and most recently, • Good Good Father, • to name a few. It is estimated that each week 20–30 million people sing one of Tomlin's songs in worship. More than anything, Chris loves being a husband to Lauren and a daddy to Ashlyn and Madison. Pat Barrett is a husband, father, songwriter, and worship leader based out of Atlanta, Georgia. He is the worship pastor of Grace-Midtown Church and cowriter of the #1 song • Good Good Father. • Pat also travels with Housefires, a worship expression based out of the Atlanta area.

This book is well-written, easy to read aloud, and brightly illustrated. The parallels between the King and God are not vague. Chris Tomlin and Pat Barrett did a great job telling the story of a little bear who wants to know what the King is like. Immersive and entertaining, Good Good Father allows parents and their children to discover that, not only is God the King, He is also the Good, Good Father indeed. My kids love this book, and request it every night for bedtime reading. If you are looking for a book that will engage your kids in a discussion about the Father, I strongly recommend Good Good Father. 5 stars indeed!!!

I ordered this book after listening to the radio and hearing the author give a brief run down of the first part of it. I just had to know the ending.... I read the whole book and it is now one of my favorite children's books. I will be buying for any baby showers I go to in the future

Excellent story! Must get for your children. Great confidence builder also.

This book just arrived. I read the book before I read it to my two kids. I love the story's simplicity and yet powerful message. I read a review prior to buying the book that complained that they were confused how tucker not Jesus was the perfect gift. I can understand their confusion but when you read the book closely Tucker is trying to figure out what to bring the the king so the king will help him and his friends. The reason he says Tucker is the perfect gift is because he's reminding us we don't have to bring anything to God to get him to help us just ourselves. His door is always open. It's not about what we can give so he'll help it's about us going to him and trusting him to take care of us. Anyway I personally think it's a great book. It's written for kids but reveals some beautiful attributes about God that kids will understand. I personally felt the message was clear and opened up a great conversation with my kids. Sometimes as adults when we're reading books like this we over complicate something that is simple and read too much into it. A beautifully written story that teaches kids about God and his love for them. ~ ~ ~

I purchased this book as well as the board book version. Based on a Chris Tomlin song, these books tell a very special story of love. It is now on my top ten list of truly GREAT stories to read to the littles in my life! Too often in our world, our kids get caught up in cartoons - both books and video/video games - with too much violence and not enough love and kindness (in my opinion as a long time educator). If you want to expose your kiddos to a sweet message of love with beautiful artwork, this is a great one to grab!

I love the song this book was modeled after, so as soon as I heard about this I knew I had to preorder. The book gives a simplistic description of the Lord and his love for all of us. I am a teacher, and always on the lookout for books I hope to share with my children if the Lord ever sees fit to bless us. I am very happy with this new addition to our growing bookshelves!

A positive book that captures the essence of a loving God. Perfect for young children. My kids are aged 4 and 7. They loved the beautiful message. The illustrations are beautiful and the prose is well written. I will be gifting these to my christian friends.

Incredible book! Such a great illustration of how God loves us, and how when we come to Him, He runs to welcome us and is eager to help us. Bought one as a children's gift. Then, after reading it, bought 1 for myself - to remind me of my Father's constant love - not based on my performance or anything I can give Him but on His abundant, freely given, love for me. I actually read it to my college-age son, and he was touched. So I bought one for him for Christmas and told him it was to remind him of God's unconditional love for him - and that one day he could read it to his own children.
