Shadow Of The Storm (Out From Egypt Book #2)

Synopsis

In the Depth of the Storm's Shadow, Only Truth Can Light Her Way Having escaped Egypt with the other Hebrews during the Exodus, Shira is now living in freedom at the foot of Mt. Sinai, upon which rests the fiery glowing Cloud containing the shekinah glory of God. When the people disobey Yahweh and build a golden idol, the ensuing chaos gives Shira an unexpected opportunity to learn the arts of midwifery. Although her mother wishes for her to continue in the family weaving trade, Shira's gifts shine brightest when she assists with deliveries. In defiance of her mother, Shira pursues her heart's calling to become an apprentice midwife. When a delivery goes horribly wrong, Shira finds herself bound to a man who betrayed her, the caretaker of three young children, and the target of a vengeful woman whose husband was killed by Shira's people, the Levites. As contention between the Hebrew tribes and the foreigners fans the flames of another dangerous rebellion, Shira will come face-to-face with the heartbreak of her past that she has kept hidden for so long. How can she let go of all that has defined her to accept the love she's denied herself and embrace who she truly is?

Customer Reviews

I read a lot of Biblical Fiction, and this is the first novel I've found that deals with the period immediately following the escape from Egypt. Using Exodus 32 as scriptural foundation, Connilyn Cossette brings to life this 12-month period with a realistic and fast-moving plot. Moses and Aaron are mentioned, but it's the well-developed characters who give the reader a believable view of camp life with everyday problems and joys. I particularly enjoyed learning about the role and responsibilities of midwives. I selected this book for my Biblical Fiction Book Group.

I enjoy this author. Another great book. Makes you feel like you are there. The Hebrews on their journey to the Promised Land. Her characters have great depth and the story just keeps pulling you in deeper. Could not put it down. Looking forward to the next in the series

A friend of mine raved about this book. When I spotted it on sale, I grabbed it quick. I started it that evening after the kids went to bed. At midnight, I made myself put it down, since I had to work the next day. It was engrossing. I could barely walk away from it. The plot was unique and well written. I have already told all my friends to read it. It is definitely a keeper that I will reread often.

I am still reading this book. But I did read the first one in the series. The author is gifted at taking you into the story. Transports you back in time to the events she is writing about. Thumbs up! I have suggested these to others.

Admittedly, I liked the first book better, but I am intrigued enough to purchase the entire series. If you like historical fiction, then I believe you will like this book.

This was an excellent story about Shira and the trials she endures. She conquers each trial with strength and endurance. She does this with Yahweh's help.

As with book one I could NOT put this one down either.....can't wait to start book 3 as soon as I finish this review.... wonderful biblical stories...

The characters in the Out from Egypt series have inspired me to love and forgive. A believable plot

that unfolds as the children of Israel journey to the Promise Land.
