The Bride Wore Blue Sneakers (The Coralee Chronicles Book 2)

Synopsis

What exactly did I want from Roman? If he asked, what would I say? I swallowed hard. No point in thinking that because he hadn't asked, wouldn't ask, and months from now would be way more interested in Manuela than he was in me. That had to be my problem tonight. It was all slipping through my hands, and I was simply unable to stop it.-----Coralee Pirtle's perfect world changed the day her boyfriend, Roman Avery, hired a girl to work at the hardware store. He says he wants to open on weekends and increase sales. But what if that isn't his only reason? What if he hired the girl because he'd lost interest in her? Her doubts climbing, she decides to see if another man might do, and finds instead, through the advice of an old woman, that all she's ever needed has been with her all along. Book 2 of 3 of The Coralee Chronicles by best-selling author, SUZANNE D. WILLIAMS. Clean Teen Romance.

Customer Reviews

Roman Avery and Coralee Pirtle have been dating for four years. Throughout that time, they have always been afraid to share their thoughts on serious topics; it's usually avoided or stopped. When

Roman hires a pretty Mexican woman named Manuela to work at the shop, Coralee becomes jealous. Coralee talks to her brother, Spencer, where he gives her some advice. She followed it, but could it be the worse mistake she ever made? This story was so sweet. Coralee & her quirks combined with Roman & his orderly ways make them a perfect couple with balance. The ending was the most special because it was the way it should've been. The supporting characters, such as Manuela & Mama Dullas, were important to this story and made it even better. Here is another excellent story that will have you turning pages and your heart melting. Coralee & Roman are one of the cutest & most adorable couples Suzanne has written and I look forward to reading book 3!

THE BRIDE WORE BLUE SNEAKERS by Suzanne D Williams Hardware store was Roman's world, and losing business. He's hired a girl to help them, so she spoke Spanish. This was an intrusion on their private world, and the green eye monster in me wasn't happy. Coralee and him been together for four years, can he take that first step. To buy a house. Coralee takes it he doesn't need her, he's now interested in other things. The wisdom of grandpa tells Roman what's going on, and what Coralee is thinking. The surprise ending, would long be remembered, and what Mother forget. Given ARC for my voluntary review and my honest opinion.

This book was so good i liked better than the first one! It was so good i read the whole thing in one night! And i absolutely can not wait for the 3 book!!
