Synopsis

Out of the ruin of civilization rises good men and dark-hearted bastards. Eighteen-year-old Payetta is particularly fond of killing the bastards. Payetta hungers for payback against Titannus, the mage who wiped her village off the map. That day comes in like a storm. Sweeping into the fray isâ a loner with a personal mission to restore civilization. He carries with him a swift sword and his legendary ancestorâ™s tenacious desire for justice. An epic showdown awaits in the Meadowlands and when it happens?â Heads will fly. Set on the foundation laid by the Kurtherian Gambit Series, Rogue Mage tells an entirely new story in the Age of Magic--and of the heroes and villains who battle for control of its destiny.

Customer Reviews

Wow, what a great bunch of characters! I loved the storyline and while the writing was a bit risque, it was also humorous and kept me interested. I want more of Payetta and Justen and Daeken and She Grunts. I am anxiously waiting for the next book.

What a fantastic story!! It had everything from nail biting suspense and almost non stop action to moments that made me laugh out loud. To sum it up in one word, it had "everything". I can't wait for the next book in this series!!

The storyline and character development were great. Payetta, Justin, Daeken, Old Ferren, and the Heros Brigade can they protect meadow? Read and find out. A lot of action with a few twist and turns. Read and enjoy!

Another wonderful chapter in the Kurtherian Universe. I am kind of a slacker when it comes to leaving reviews(I read way too many books) however this book deserved a resounding fist pump, engaging, funny, exciting.. Can't wait for the next one.

Another loud mouth heroine I like. I wish the dog pack had taken down Tanner near the end, but maybe that will be in the next book.

Really enjoyed this story and loved the main characters. The main Female character is a hoot! Enjoyed her a whole lot!!!

I loved reading the story but it wasn't what I had expected. But still it's a good read and good entertainment.

I loved it really and think it's a incredibly valuable, hilarious, and thoroughly awesome addition to the Age of Magic not to mention the universe itself.
