...So when it's January...and I'm sitting at O'Hare Airport...and it's snowing like crazy...and flights are iffy...I can at least PRETEND that it's a balmy August afternoon in "Bermuda-of-the-North." Malcom Greenaway's photos are stunning.

Even though this is a postcard book, you won't want to part with the postcards, and keep it as a memento and a reminder at Block Island's incredible beauty, serenity, and uniqueness.
