Indiana Curiosities, 2nd: Quirky Characters, Roadside Oddities, And Other Offbeat Stuff (Curiosities Series)

Synopsis

"For the most part, the stuff in this book will not be advertised on billboards to draw you off the highway exits. This is a book for people who like the quirky, the offbeat, and the unusual. If you have absolutely no interest in how to astro-turf your car or where to find the John Wayne Museum, or a good frog race, you might want to buy one of those other books...." From the Introduction.

Book Information

Series: Curiosities Series

Paperback: 360 pages

Customer Reviews

In praise of Indiana Curiosities, first edition:"Dick Wolfsie traveled Indiana's back roads to see with a fresh eye what the natives take for granted: better mousetraps, celebrity potato chips and a rosary made of bowling balls." ---Indianapolis Monthly

In praise of Indiana Curiosities, first edition:Â "[The author] describes such unnatural wonders as a rosary made from bowling balls, a museum devoted to cookie cutters and world's largest

[illegible]

---Richard Gotshall, Indianapolis Star

Your round-trip ticket to the wildest, wackiest, most outrageous people, places, and things the Hoosier State has to offer! Discover where you can spend the night in a yurt, find a 10-foot-tall orchid, and cross the state line just by dribbling down a high school basketball court. Meet a really, really tall gal in Shelbyville, a really, really short guy in Knoxville, and a man who rode a lawn mower across the United States—twice (guess he missed a spot)! Learn where to go to watch

cockroach racing, pumpkin launching, phone-book-tearing, grape stomping, and cricket spitting—donâ™t laugh, itâ™s an officially sanctioned sport. Whether youâ™re a born-and-raised Indianan or a recent transplant, author Dick Wolfsie will have you laughing out loud as he introduces you to the neighbors you never knew you had and takes you to places you never knew existed—right in your own backyard.

Interesting places. Not what I expected.

This is a great book if you buy it alone and not as a part 2 for the first one, but it's almost exactly the same as the first book. Luckily the cost was very small. However it would have been nice to know. Dick Wolfsie's writing is fun, interesting and makes you want to see what he's writing about. Glad we have the first book and will share this with someone else.

This is an excellent book for anyone looking for fun stuff to do in Indiana. It's full of unusual attractions (which are organized by region)and includes plenty of interesting information about a state which many consider to be hopelessly uninteresting. I've used this book to plan mini road trips with my friends which is a cheap and amusing diversion when you've got nothing to do on a weekend. It's also a fun way to get to know the state and to show proper appreciation for such impressive attractions as the World's Largest Trowel.

A quirky but enjoyable book. Well done.
