Customer Reviews

Very useful, I passed the 1st and 2nd EA exams by reading only PassKey. Shixiong Feng Very useful, I passed 1st and 2nd exams by reading the PassKey EA Review only, if you are willing to spend some time to read the whole book thoroughly, then this book is the only thing you need to pass the EA exams. Now I'm going to take the last exam. PassKey was the only study aid

that I used. Stephen J Woodard, CFP, CLU, ChFC The guides were an invaluable resource. They were concise and covered the subject matter succinctly with spot on end of chapter questions that were very similar to what I encountered on the exams. PassKey is the way to go! Alaina Crowell passed all three SEEs on the first try in ten weeks! Each unit is explained so clearly, and I was completely prepared for each SEE. Wonderful books.

good

So far, so good. I've used this and the practice tests exclusively and have passed parts 1 and 3. Tried Gleim before this and it was awful. I would add that you should print the tax forms and read some of the publications that it recommends to supplement this guide. In the end, I think the EA exam writers need to be improved. They draft the questions to be intentionally vague and I don't appreciate the lack of clarity. The bar exam was clearly written and the EA writers need to step up their game. Seems like they are lazy in their approach.

Pass my part 1 and part 2 within 3 weeks by reading this book. Useful and practical.

Great product!

Very good book . I have learnt a lot , could have given 5 stars but I don't like bulky books prefer kindle that I can carry around. When the publisher creates a kindle version, I will come back to update to 5
