Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, is the leading international map publisher with more than 425 map titles in print. The company's titles include many that are unique or the first of their kind, including an extensive series of travel and city maps covering Europe, Africa, Asia and America.

This map shows the general area on a scale that renders it useless as a driving aid. It is useless if you are looking for a street map.

Thanks for the excellent map and quick service. I would definitely buy similar products from this vendor in the future.
