Bought this in preparation for a trip to Sydney this winter and very happy with it. This pocket sized booklet is well organized on the topic you need for getting the best out of a stay in one of Australia's most popular cities. Best of all it has good pictures and diagrams of all the transportation options and the best of all a portable foldable map of the entire area. Love it!

Fodor's travel books are always good; the maps are excellent and the suggestions are accurate, well-organized and well-thought out. I always buy these books before we travel.

Great map and book for the price

guide was very helpful. The map was a blessing.

Doesn't compare to Frommer,s books would not buy if in a store.
