Not A Fan Student Edition: What Does It Mean To Really Follow Jesus?

Synopsis

If someone asked, "Are you a fan of Jesus?", how would you answer? You attend every movie featuring a certain actor, you know the stats of your sports hero, and you can recite lyrics from your favorite songs. In short, you're a huge fan. But are you treating Jesus the same as the other people you admire? The truth is Jesus wants more than the church attendance, occasional prayer, and the ability to recite Scripture—the fan response. He's looking for people who are actually willing to sacrifice in order to follow him. In this student edition of *Not a Fan*, Kyle Idleman uses humor, personal stories, and biblical truth as he challenges you to look at what it means to call yourself a Christian and follow the radical call Jesus presents. So, will you be a fan, or a follower?

This book is incredible. Every teenager should go through this. Highly recommended.

The author Kyle Idleman is a wonderful story teller and truth presenter. He provides a clear picture of what it means to truly follow Jesus, not just be a fan. His analogies and humor are mixed together well and at appropriate places. Adults and teens want to keep reading and be challenged to apply.

His daily journal "Not A Fan Follower's Journal" is a wonderful book to go through too.

This is an incredible book. This would be a phenomenal book to base a bible study from if your group enjoys good conversation!!

It was good. I wanted to use it to teach some lessons to our students. It was very similar to the adult book. Could be that I am only a few chapters in. Message is timely and it challenged our students.

Easy to read and full of scripture based teaching that will help you be an all out follower of Jesus!
No turning back!

I bought this book for several young men & all have loved it!

"Not a Fan Student Edition" is written for teens, but awesome for adults as well. There is an adult version that i will soon purchase. the author is often humorous, but clear and challenging with his message of truth. I bought more to give as gifts.

Wow!! This book is an eye opening look in the mirror, and your Christian walk with Christ. Hopefully upon reading this book you will purpose in your heart **NOT** to be a **Fan** of Christ.
