The World's Funniest Bathroom Graffiti

Synopsis

C.J. Phillips and cohorts have scoured much of the western world to bring you this book of the world's funniest bathroom gibberish. Attempts were made to keep the contents of all The World's Funniest Bathroom Graffiti volumes as disgustingly respectable as possible (good luck!). Unlike other graffiti books which present any kind of graffiti, this book concentrates on wall-writing that's funny. Samples from the book series are below: Stand close, don't flatter yourself. If you shake more than once you're playing with it. Toilet paper compliments of Idaho Sand and Gravel Company. Misery is a flooded stall and a hole in your shoe. Hormones are a big bust. Archaeologists date everything. This audiobook includes two additional audiobooks. Your audiobooks are presented in this order: The World's Funniest Bathroom Graffiti, Volume 2 The A-spot Orgasm: The Elusive Super Orgasm 100 Great Lines to Put in Your Personal Ad
