Customer Reviews

I'm a lifetime Tennessean, and I couldn't put Mr. Bradley's book down. I know Middle Tennessee and the Smokies fairly well, but as I got into his marvelous book I couldn't believe one author could capture and capsule so much in such limited space. I've garnered information about my State- so much new to me- that it just blew me away--some info right at my doorstep, so to speak. About locales I know fairly well his presentation is right on target. I especially value the boxes about history, personalities, buildings etc. Don't hesitate. Buy the book!
