Surgical Notes: A Pocket Survival Guide For The Operating Room (Davis's Notes)

Synopsis

Jog your memory and be confident in your ability to adapt in the fast-paced OR environment Susan Sheets, the Association of Surgical Technologistsâ™ âœEducator of the Yearâ• in 2009, brings you the OR survival guide that fits in your pocket. Consult it at the start of your day or between cases to jog your memory and build your confidence. Refresh your knowledge of the essentials of aseptic technique, surgical conscience, anatomy, basic set-up, instruments, and sutures. Be ready for challenging situations with tips for communicating effectively in the OR. Anticipate need and attune your critical thinking to be able to set up your back table and mayo stand quickly and efficiently, count effectively, and communicate well with your team. Consult it to organize your case so you can start and end it with confidence. From aseptic technique to effective communication and everything in between, hereâ™s the on-the-spot guidance you need to survive in the OR in a pocket-sized, quick reference.

Customer Reviews

This flip book is a perfect resource for RNs learning to scrub and circulate in the operating room.

Perfect size book. Has tons of information

Very helpful and condensed. To the point and accurate.

I am a Surgical Technologist and bought this as a backup guide for my job. It is very basic but a great resource for those working in the OR.

Great book to have if you are new to the OR.

product is as described. very basic info. perfect...

Covers the basics a must for a surgical technologist

This book has helped me learn my role in the OR setting.
