Bob Gilhooley came to painting later in life. Although reasonably good at art and craft in school he was never encouraged by his teachers. After successfully running the family Garage business for

20 years. And raising a family. He changed careers running a Hotel business for a further 14 years with his wife Beverly. With Art as a hobby he progressed mainly self taught, painting in Oils and Watercolours.

I purchased this book directly from the artist at a flea market in Moreton-In-Marsh in August. Fabulous book with lovely paintings. Each village has a page, it's very comprehensive and the attention to detail in the paintings is amazing. I have the book on the sofa table in my house in the US and friends love to look through it. It's a great conversation piece! And I get to relive my travels each time I open it up. The artist was so kind and he even took a photo with me holding his book. A great keepsake to commemorate our visit to the Cotswolds. If you're going to the Cotswolds or have already been there, this is a great way to remember your trip!
