Borago: Coming From The South

Synopsis

Internationally acclaimed star chef Rodolfo Guzmán of Boragón introduces the exciting world of high-end Chilean gastronomy. "It isn't every day that a restaurant knocks your socks off, but Boragón managed it with ease." *"Financial Times* Chef Rodolfo Guzmán serves a dynamic, wildly imaginative tasting menu at his acclaimed Santiago restaurant Boragón, using only native Chilean ingredients – often reinventing his courses mid-service. The book combines his fascinating narratives about Chilean geography and ingredients, his never-before-published notebook sketches of dishes and creative processes, and gorgeous landscape and food photographs that introduce readers to the distinctive pleasures of Chilean culture and cuisine. This is rounded off by Guzmán's selection of 100 savoury and sweet recipes exclusively chosen from the menu at Boragón.

Customer Reviews

"Beyond the flavours and products that have represented Chile, there are others that, although Chilean, were displaced due to disaffection or lack of knowledge. The result of so much effort is Boragón, one of the best restaurants in the world." *"Andoni Luis Aduriz"* "Thanks to Rodolfo Guzmán, the new Chilean cuisine connects the missing dots and reboots - linking the submerged history, the battle of the present, and the future on the horizon. He has a unique, positive, dissident voice. Boragón's wings are quivering. And the Guzmán tornado is brewing. Wherever you are, enjoy the ride." *"Andrea Petrini"* "It isn't every day that a restaurant knocks your socks off, but Boragón managed it with ease." *"Financial Times*
