## Customer Reviews

I bought this book because my band director recommended Romance and Scherzo to me. It is a beautiful piece and a little difficult. The reason why I gave it 4 stars, is because out of the 10 or 15 pieces in it, only the last 3 are anywhere close to difficult. The rest are good pieces, but way too easy. If you're a middle schooler or a Freshman/Sophomore in high school, then this book would be good. Overall, though, the book is good.

I recommend this product because most of the solos in are meant for a advanced tuba players such as my self.
