Company's coming for Christmas Hardcover Cookbook

This book has everything. I have one and I bought one for my mum. The recipes are all really homey, not fussy. Just delicious Christmas standbys and some new ones with punch.

I absolutely love the Company's Coming cookbooks! They are laid out in simple steps so the recipe is very easy to follow. The ingredients are very common to most households which saves you a last minute trip to the grocery store. This Christmas edition has everything from make-ahead breakfasts to dinner breads to turkey recipes and desserts. A lot of the recipes can be prepared the night before which saves enormous time and hassle the day of the celebration. This book also has recipes for appetizers and Christmas crafts for your table. I use this book all year round.
