Bible Journaling - Honoring The Spirit

Synopsis

Christians searching for new ways to deepen their connection to God have embraced the practice of Bible journaling in their study bibles and, in many cases, in special journaling bibles purchased for this purpose. Bible journaling has become an increasingly important way to pause and reflect on Scripture while exploring creativity. Honoring the Spirit includes an inspiring peek at the personal Bible of journaler Sue Kemnitz, and she also shares motivating insights on her personal study experiences. Packed with literally hundreds of pieces of art including traceables, vellums, and stickers all created in Sue's exuberant signature style, this handy booklet is a perfect resource for experienced and new journalers alike. Every Bible journaler can use the lettering and images provided by Sue to create custom pages that reflect their own spiritual growth.
