Hero At Large CD

Synopsis

Dear Reader: In a previous life, before the time of Plum, I wrote twelve short romance novels. Red-hot screwball comedies, each and every one of them. The romances were originally published between the years 1988 and 1992. All immediately went out of print and could be found only at used bookstores and yard sales. I'm happy to tell you that those stories have now been re-released by HarperCollins, presented in almost original form. I've done only minor editing to correct some embarrassing bloopers missed the first time around. Hero at Large was the very first book published. It's about a sexy guy who cooks a potholder in spaghetti sauce and charms a single mom and former world-class ice skater with the promise of a ride on his Zamboni. It's got broken bones, giant turkeys, cantankerous cars, and Aunt Edna. This was the book that changed my life forever and made me a published author. When Hero finally reached the bookstores, I was almost arrested for loitering in Walden's. I stationed myself in the romance section and wouldn't leave until I saw someone buy my book. It took three days! Enjoy!

Bestselling author Janet Evanovich is the winner of the New Jersey Romance Writers Golden Leaf Award and multiple Romantic Times awards, including Lifetime Achievement. She is also a long-standing member of RWA. C.J. Critt is a much-admired audiobook performer who has appeared on and Off-Broadway, in stand-up comedy, solo performance, and poetry slams. She is a Cable Ace winner and staff writer for Radio Disney.

Funny, interesting and I would recommend adults buying it to cheer up your life and to be able to laugh. The author in some way seems to place crazy, out spoken, protect with a gun old lady, Aunt Edna, in many of her books and this one is no exception. I love her. I do wish publishing companies would come to realize that many of us readers can enjoy a book w/o "wanting sexual desires over emphasized ". Many times I have to skip over pages just to get back to what's going to happen next, other than sex. I really don't need to read about someone's else's sex live I have my own. I would recommend the audio book to an adult. It's great listening to and I never worry about being stuck in traffic in my 35 minute drive home.

LOVE IT

Good fun book.

Laugh out loud funny! I love reading Janet Evanovich stories.

We have almost all of Janet Evanovich's audio books. We have others by different authors but really enjoy Janet's writing's.

This was a gift for my mother, and she was THRILLED with this present!

I drive a lot and listen to books on cds. This one was great because it was funny and kept me interested without being overly distracting while I was driving.

Very happy
