Mistress To The Beast

Synopsis

Her father's shop is more than just a family business. It's the place they lovingly call home. When a powerful property development company stoops to barely legal tactics to force them to sell, Lila's outrage spurs her straight to the source to fight the injustice. A serious accident left Hunter Jamison's body scarred. A bitter split from his latest lover has left the former playboy without faith in the female sex. Yet, confronted with Lila's fiery beauty, he finds himself offering her a deal: If she'll be his mistress for three months, he'll allow her father to keep the shop. A simple agreement? Hardly. It's a battle of wills that flares into much more than either of them bargained for—a consuming passion that could heal Hunter's soul-deep scars or inflict new ones.

Customer Reviews

A Great beauty and the beast story. This was a quick read however it was not lacking in the storyline department. Eve Vaughn never disappoints.

This was surprisingly good. Although the plot was incredulous, the characters were more realistic

than most; their dialogue was relatable and the conversation was not pretentious. They communicated their feelings and I like that the h was outspoken. What I also liked was that the h's character was consistent; observations were made about her character by her father early in the story so it was easy to follow her behaviour or treatment towards the H. I loved this book.

HEA excellent job. Can't say enough great things about it, you just have to read it. Worth every minute and every penny.

This story was phenomenal. I didn't know what to expect going into this story. For some reason I thought this book was about something else, but in any event I loved it. In a nutshell Lila agrees to be Hunter's mistress in order to save her father's business. Hunter propositions her because he had been disfigured due to an accident and doesn't think he can get female companionship without making them some type of deal. Lila thinks she hates him because in order to save her father's business she has to bend to his will. She's ashamed of her circumstances but can't deny she enjoys the things that he does to her body. Hunter is always in control when it comes to their love making. It's however and whenever he says. The sex scenes are INCREDIBLE!!! Hunter and Lila eventually fall in love and get their happily ever after. Definitely 5 stars!!!

I wasn't going to buy this book based on the review about a white man buying a black woman. Then curiosity got the best of me and I had to see if someone really wrote a book about erotic romance trying to sex up slavery. BUT that is not what happens here and I'm glad I bought it and read it for myself. Yes an arrangement was made between two **CONSENTING** adults. And in this arrangement he flat out told her he wanted to have sex with her in exchange she got what she wanted. He gave her **WEEKS** to back out and thought she would, she didn't. Also, even up until the point where he was touching her he told she could back out. There was no holding down and raping. She was surprised (and ashamed) herself she **WANTED** to have sex with him. And even after the first time he continued to tell her she could back out of the deal. Was he a little crude (he was crude when he made the offer, she shouldn't have been shocked) yes, stern, yes. He didn't have to allow her time to get herself together to have sex. The deal was, will you sleep with me (not in those nice words), and do as I wish when I wish it? Her answer, yes, in exchange you will do x,y,z for me, which he did. What's there to wait for? He didn't say, "will you stay with me, be my companion, we will get to know each other, **THEN** if sex happens it happens". She knew what was up, **SHE** sold herself to get what she wanted...and it was never too late to back out.

This was a fantastic read..I loved Lila..she was strong and tough enough to deal.with Hunter the billionaire dominate jerk. This was a sweet story of love conquering over vanity and lies. They made a sexy and sweet couple. Hunter will tug your heart strings. Lila will make you say.. Go girl!! Great work!

I'm so happy I'm not the type of person that allows other peoples reviews to sway me, if I did I would have missed out on a great read. I really enjoyed reading this story, the plot was very captivating. The sex was very HOT! I love that the character Lila was strong enough to look pass the walls that Hunter had put up and get through to him like no one has been able to do. Also some reviews stated there was violence towards women in this book, that is B.S. it never happened, I don't know what book they were reading but it wasn't this one. I'm really happy I brought this book, will definitely be reading more from this author.

Everything book that no that I have bought from this author is better than the last,every book is so hard to put down, I look for new books every time from this author when I finish one of her books I give this book 10 stars
