Customer Reviews

Down The Shore Publishing, a publisher of regional books about New Jersey and the Shore, has been featuring the work of professional and great amateur photographers in this classic Jersey Shore calendar since 1984.

I am a lighthouse junkie and grew up in the Philadelphia area, spending a lot of time down the shore. Been getting this calendar for a number of years and always enjoy the pictures of NJ lighthouses. There is a great variety of styles, more than in most states, so it is always fun to see the different types, tall candlesticks, picturesque house lights (brick and ginger-bready wood), coffee pot caissons, steel towers, etc.

Looks great in my Shorehouse
