Best-Selling House Plans (Creative Homeowner)

Synopsis

Best-Selling House Plans offers readers 400 of our most-successful designs from leading architects and designers. Over 200 gorgeous full-color photographs allow readers to experience homes actually built from the designs, plus some stunning interior images. Construction blueprints are made available for every home and are easily customizable. Virtually every home style is offered, including farmhouses, country cottages, contemporaries, luxury estates, vacation retreats, and regional specialties. In addition to these designs, Best-Selling House Plans offers practical tips and advice on everything from selecting a site and hiring a contractor to adding such finishing touches as trimwork and landscaping. This book is perfect for consumers looking to choose from a wide variety of styles and designs from the top architects and designers in the country.

good mag, its what you'd expect to get.

Wide Variety of plans in all sizes

A nice, simple house-plan book. A couple of the pages were wrinkled, I find that with a lot of books I get from .

I liked the book.

Many designs that are awesome!

A good book to find and compare floor plans for a new house. Plenty of ideas for different ways to build a new home.

As described

Is very good only sometimes the text is small.
