I can't believe the Goodwill of Silicon Valley had a copy of this book....well actually I do believe it considering so many Indians live in the Bay Area! I am very pleased with this purchase. I paid pennies on the dollar for what I would have paid with any other seller. I would buy from Goodwill of Silicon Valley again and I can't wait to read this book! The shipping was super speedy too! -- aided by the fact that I live so close by. I am very happy with this purchase and the fact that my money goes to a good purpose.
