What is prayer? If you ask me, I will say Ã¢ÂœConversing with God.Ã¢Â• You should feel His

presence near you while talking with Him. Think of Him as your divine friend. Have an intimate relationship with Him. Well! If you are still not able to figure out how to talk to God and get His blessings then this awesome book is a starter. Read this book. As Adam Houge has rightly said, "This book contains seven of the most powerful prayers you could ever pray. Each of these prayers, God will certainly answer. They will set you on the right course in life, and teach you how to please God. Each prayer is both a study and devotion." Have faith. Without faith there's no connection. Start praying. Your life will never be the same again!

I browsed the book before I actually read it (which is unusual for me) and found some very interesting points that the author touched on that really got me thinking. When the author says that God feels hurt when we don't talk to him when we are feeling disappointed or are hurting, it really had impact on me. I hadn't thought about God in that light before...that He could feel hurt when we don't interact with Him. There were several points that were discussed. Things that I already know, but reaffirmed my beliefs. It's an easy read and a book that I will most likely refer back to.

This book not only teaches you the 7 most wonderful prayers but why. It goes into details about who we are serving and it is backed up by His scriptures in the Bible. That's tough to beat with a lifetime of rewards. God is Good.

This book was very uplifting and encouraging. There was practical advice that took you back to the basics enabling you to move forward. I've highlighted the prayers and will keep praying them regularly.

The prayers are beautiful. I believe God is a loving God and not a fearing God. Have some reservations in certain sections of this book.

I'm sitting next to my baby in a hospital, watching this foreign illness take over her. I'm praying to God to please help me be strong when I feel like I simply cannot be and here, in my oldest son's Kindle I find this amazing book that reminded me of God's undying love for me, it reminded me that God at this very moment is carrying me through this difficult time and he will watch over my baby girl and will HE will heal her. Wonderful book, perfect timing!

Written in a unique way. Each prayer is followed by a reply in words that our Lord might say, in

keeping with what he has taught us in the Bible. GOD loves us so much, He is not willing to lose anyone, and asks only that we love Him! Believe and trust in him and try our best to live lives of truly caring for each other. Life is so short compared to eternity, can we not travel this road, make this short journey lovingly and keeping our hearts set on the incredible joy that awaits us? Adam's book is truly an inspiration for this. I am eager to start reading his next book! Thank you Adam.

I read this book during a time when my heart was heavy with fear and depression. Just the prayers and words Mr. Houge wrote in this book brought me closer to God. My granddaughter has been fighting Leukemia since Oct. 8, 2012 and I have prayed many times for her health and life. I would gladly give my own for her to not had to suffer as she did. Our community, friends, family and people I do not know were prayer warriors for this wonderful child and right now she is in remission. Without the prayers and Our Great Lord she would not be here now. Praise Him in all things. Thank you..Sue Nichols, our home is in Alabama.
