A Child's First Bible

Synopsis

Perfect for taking to church or using at home, young children will love this beautifully illustrated first Bible. A Child's First Bible is a collection of 125 of the most familiar Bible passages, from both the Old and New Testaments. Beginning with the story of Creation and ending with Revelation, the text is retold in simple words by well-known author and translator Kenneth N. Taylor. With its charming illustrations and clear, inspiring text, A Child's First Bible is a must for every child's bookshelf.

FEATURES All the great characters and stories of the Bible are included in this beautiful treasury Clear, easy-to-read text is appropriate for young readers, and also fun to read aloud to the pre-school child Simple questions at the end of each Bible passage are designed to highlight important biblical truths.

Customer Reviews

Since graduating from Brighton University Nadine Wickenden has worked as a full time illustrator on advertising, packaging, editorial commissions, and more recently in children's books. Her style incorporates traditional watercolor and mixed media collage. She lives in the UK.

Purchased this for my 85 year old father with dementia. It is my second purchase. The first one he wore out! It is such a blessing to walk into the assisted living and see him thumbing through his

Bible. He has favorite stories that he reads over and over. Price much better than bookstores

I bought one for each of my kids, ages 5 and 9. It was a very easy read for my 9 year old, but this is the first Bible she has owned and wanted it in the simplest terms for her to start out. Both kids loved it and it answered a lot of questions they had.

The letter font is a great size and good matching illustrations. The book is great and I like the way the bible stories are presented, but I was disappointed in the size. It's a small book and is a bit difficult to read with your baby in your lap and reading the book in front of your baby. The book would be awesome if it was larger and easier to handle with little one.

A very good entry level reader for Christian parents / grandparents who want to read to their young children / grandchildren. I can see why the book had a really great rating when we bought. I give a two thumbs up to this children's Bible. If you are thinking, "This might be nice?" Yes. It will be. Paul / Texas

I purchased this Bible as I wanted to kind of get back to basics and remember my childhood Bible stories. However when I received the Bible it was much smaller than I had envisioned. The stories and pictures were magnificent however I was looking for a larger Bible with more stories. I am giving it to my 3 year old niece and I know she will adore it. Even though it's not what I expected it still deserves 5 stars.

The printing quality of the Bible is excellent and every page is color illustration. I always like to read children's book, cause it's easy to understand and easy for me to spread gospel to non-believer. I believe this is also suitable for people who has interest to explore Christianity at the entry level.

Kenneth Taylor's children's Bible is a nice introduction of the Bible. It isn't the best one, but it is one I'd keep as a switch from whatever your go-to version is. That's what I do. My boy is now five and bored with this edition. The illustrations are nothing special, reminding me of picture Bibles from the 1960s, the kind I'd see in the dentist office. Their cliche nature offers nothing to add to the book. The text is too simple to even develop a story, glossing over even basic theology. Anthony Trendlamericanspeechwriter.com

I gave this as a gift and they seemed to enjoy it.
