How will law schools weigh my GPA and LSAT score? How can I make sure my personal statement stands out? How can I use my resume to sway an admissions officer? Written by veteran admissions consultant Jeremy Shinewald, The Complete Start-to-Finish Law School Admissions Guide answers all of these questions and more. Whether you are just beginning the process or simply looking to finesse your final steps, The Complete Start-to-Finish Law School Admissions Guide will provide you with time-tested advice and concrete direction for optimizing your law school applications. Addressing ways to enhance personal statements, resumes, recommendations, addenda, and interviews, Shinewald truly takes you from start to finish, ensuring that you create a

standout application and improving your chances of getting into your top-choice school.

With his honest, often frank, advice and his shrewd ability to tease out a candidate's best stories, Jeremy Shinewald built mbaMission from a "one-man show" into the market leader in MBA admissions consulting. Now, Jeremy is leading a team that will help law school aspirants differentiate themselves and grab the attention of admissions officers at elite law schools. Before founding mbaMission and jdMission, Jeremy was the sole speechwriter for the Ambassador of Israel to the United States, for whom he wrote more than 70 policy addresses. He was admitted to several top domestic and international MBA programs and ultimately became one of the youngest members of his class at the University of Virginia's Darden School of Business, where he was an admissions interviewer, wrote a Business Ethics case and a Small Business Acquisitions case, and was chosen by his peers to be Class Graduation Speaker. Jeremy is a past member of the Board of Directors of the Association of International Graduate Admissions Consultants (AIGAC), an organization committed to upholding the highest standards of ethical practices in MBA advisory services, and was co-chair of the 2009 AIGAC Conference at Columbia Business School. He is a recognized leader in the admissions consulting field, and has been quoted in the Wall Street Journal, U.S. News and World Report, Bloomberg Businessweek, Crain's New York and more. Jeremy is also the author of the Complete Start-to-Finish MBA Admissions Guide.

If it actually is possible to give a pathway to getting into law school, this describes at least one possible way to do so. The book is helpful and accurate about the admissions process in many regards. However I did not follow the book's advice on everything and still managed to get into the top law schools on my own. There is no "magic bullet." I got this book for free but I would not have purchased it on my own.
