Customer Reviews

Suitable for ages 8 to 14 years, this book lets you follow motocross from its humble origins as 'scrambling' in Britain to its many varied and exciting forms today, showcased in two great annual events, the X-Games and World Freestyle Championships.

What a disappointment, written for a grade school kid. But then I guess it fits a bill some where.

I bought this book for my 11yr old daughter to help her with a report on the history on motocross. A great short read for any age group, but especially a great introduction to what motocross is and was all about.

was ok
