## **Customer Reviews**

The Point-of-Purchase Advertising Institute is the only international trade association devoted to serving the needs of brand marketers, retailers, and producers of POP advertising and in-store marketing, and has been a sponsor of the Outstanding Merchandising Achievement Awards Contest, now in its 44th year.

This book has the worst photography I have ever seen in my life. It uses outdated, low-res photography. It is a decent visual reference, but half the POP's are not even that good. Save your

money.
