Simple CISSP

Synopsis

The CISSP certification is the gold standard for security professionals. This exam resource is up to date for the 2015 CISSP Common Body of Knowledge created by ISC2. Simple CISSP has been intentionally kept as brief as possible without the "fluff" many other tomes include. The audiobook is narrated by the author to ensure all information is conveyed by someone who understands the industry. As a result, all acronyms and security terminology is correctly pronounced and described.

Customer Reviews

Lots of great information that prepares you for the exam. Straight to the point minus the fluff and extra nonessential information
