Customer Reviews

"Where to go?, What to do?, and How much will it cost?", are all questions that they have heard throughout the years from friends and family. These questions became the inspiration that motivated them to research, write and publish the "Kids Love" travel series. This adventure of writing and publishing family travel books has taken them on a journey of experiences that they never could have imagined. They have appeared as guests on hundreds of radio and television shows, had featured articles in statewide newspapers and magazines, spoken to thousands of people at schools and conventions, and write monthly columns in many publications talking about "family friendly" places to travel. George Zavatsky and Michele (Darrall) Zavatsky were raised in the Midwest and have lived in many different cities. They currently reside in a suburb of Columbus, Ohio. They feel very blessed to be able to create their own career that allows them to research, write and publish a series of best-selling kids' travel books. Besides the wonderful adventure of marriage, they place great importance on being loving parents to Jenny & Daniel.
