Dealing With Difficult People

Synopsis

Have you noticed your mother, father, or whoever was your primary guardian believed you can learn to get along with anyone? That is why they let you loose on the world. They had confidence in your ability to learn to deal with contrary, annoying, or difficult people. Also, anyone who has ever had, or whoever will, hire you assumes the same thing. As such, there are lots of people who already know you can connect with anyone you perceive as contrary, annoying, or difficult. I am among those people too!
