Time Out Buenos Aires (Time Out Guides)

Synopsis

Sprawling and strange, magical and melancholy, continually veering between triumph and disaster, Buenos Aires is an alluring city. Written entirely by residents, Time Out Buenos Aires casts an independent and critical eye on the places, people and culture that have made this metropolis great and the contemporary trends that are conspiring to make it greater still. Looking beyond the 'Paris of South America' cliché, we make sense of the confusing jumble of influences that is Buenos Airesâ™ trademark: its century-old cafés and world-famous steak houses; its word-of-mouth bars and backstreet bistros; its late night tango salons and cutting edge all-night clubs; its prestigious cultural landmarks and improvised warehouse galleries; the comforts of tradition rubbing up against the shock of the new. Honest, detailed and informative, Time Out Buenos Aires is the perfect companion for the modern traveler.

Customer Reviews

"Selected as best guidebook" Sunday Times and Food & Travel Magazine "Never risk a city break without packing a Time Out Guide" Red

Time Out is a multi-platform media and e-commerce business with a global content distribution network comprising magazines, online, mobile apps, mobile web and physical presence via live events and Time Out Market. With a presence in 107 cities and 39 countries, Time Out seeks to inspire and enable people to experience the best of a city through curated content around food,

drink, music, theatre, art, style, travel and entertainment. By covering an exciting range of destinations, Time Out Guides help visitors to cities around the world get the most of their travels.

Lots of useful information with contacts and directions. Good for a week long visit. Not too much background and history though.

I love the TimeOut series, and the one for Buenos Aires is very good. I lived in Buenos Aires, and I can say that this does a good job identifying restaurants, bars, things to do, etc.

This book has great information, but I felt like I had to wade through it a bit to find what I was interested in.

I just got back from Buenos Aires and I use this book a lot. It's a perfect size for traveler in the maps are very helpful.

Excellent!! All information you need for visiting Buenos Aires

Time Out Buenos Aires should be bought just for the restaurant reviews. The whole book is great, clear and concise. Photos and maps very clear.

This book is completely worthless because it doesn't have a Table of Contents. As an e-book you can't find anything unless you start at page 1 and read every page.
