Synopsis

A Standalone Novella Lauren Chandler is back in Bryson City, North Carolina with her fiancé, Evan Kaizer, preparing for her engagement party. But her ex, Kenton Lennox, is always popping up in her way. And it doesn't help that the engagement party is being held at a resort owned by Lennox Enterprises. Kenton had never been able to understand how Lauren could break things off with him simply because he didn't want to get married. What he does know is, the feelings she has for her fiancé are sorely lacking the passion she once possessed when they were a couple. Wow! Another good story by this author. I was so happy Lauren and Kenton were able to patch the

holes in their relationship. Her fiancé was not the right fit. Evan was just too cold. Whereas Kenton was cool, and besides, they still loved one another..

Enjoyed every word . I love this family. So glad Kenton finally realized what makes him happy. Evan was an understanding man. Read the story to find out more about Kenton, Evan, Lauren and the family. Thank you Ms Martin for sharing.

Kenton's story was not what I expected. If passion is what you're looking for this is not the book for you. However, it was a really good story about 2nd chances. Many aha moments in the story. Overall really sweet story.

I always enjoy a Tina Martin book. This one is no exception. I loved the story of Kenton and Lauren! They had to heal and forgive. Also, enjoyed catching up with the other family members.

I was eagerly waiting for this story. Something about that Lennox Family! Tina Martin did NOT disappoint with this one and I'm equally sure readers will not be disappointed either. I really enjoyed the story like so many of her other books. However, Lauren got on MY nerves, but Kenton.....the rugged, suave light-eyed devil :) loved, loved, loved! The way it ended it seems like another one is coming behind it.....IMJS

Kenton and Lauren's rekindled relationship definitely needs to be followed up in a bonus story, even if it is short. I want to read how he proposed and everything...

I loved Kenton and Lauren's story in the Lennox series. Even though it started a bit slow, it picked up in the middle. Kenton had a laid back demeanor mixed with the Lennox men's arrogance. He was afraid to love but so glad he got it together in the end. Lauren was like many women today, she was willing to settle with Evan because she was afraid her desire of marriage and children wouldn't happen. I'm glad she finally came to her senses and left Evan. It was so refreshing to see Evan and Lauren part ways without all the drama! Once again loved Kenton Lennox's story! Can't wait to see Devania fall in love!

I must say reading Mrs. Martin's book made me feel alive and happy, treasure. Reading her gives you a respective feeling of what life could be like even in a book version. Some men and women want

love but don't know how to go about getting it, because society say they should have this or be that and most of us don't have positive people in our life so we miss out what a good person is or could be. That's sad you could be looking at your soul mate but because she or he is not what society deem right you lose. Great lesson and great read. Keep it coming the stories are worth every penny. Be blessed
