Historic Photos Of Albuquerque

Synopsis

From a city that was founded all the way back in 1706, to its distinct neighborhoods of Old Town and New Town, Historic Photos of Albuquerque is a photographic history collected from the areas top archives. With around 200 photographs, many of which have never been published, this beautiful coffee table book shows the historical growth from the mid 1800's to the late 1900's of this scenic city in stunning black and white photography. The book follows life, government, events and people important to Albuquerque history and the building of this unique city. Spanning over two centuries and two hundred photographs, this is a must have for any long-time resident or history lover of Albuquerque!

Customer Reviews

It is said a picture is worth a thousand words, and once again, Turner Publishing with the help of author Sandra Fye, has put together an amazing volume of photos depicting the everyday life and evolution of Albuquerque, New Mexico over a span of two centuries. It is a collection of well-chosen, uniquely different photographs accompanied by concise captions that take you back to the early days of this dynamic city. --Nancy J Reid., Southwest Blend Magazine "the photos- many taken by William Henry Cobb or his wife, Eddie Ross Cobb- are captivating on their own. Other Photos include luminaries who visited Albuquerque: Hal Roach's Little Rascals, of the Our Gang comedies, Rin Tin Tin and his owner; and Albert Einstein- all photographed on the train. The book is a joy to peruse, and a celebration of Albuquerque. --New Mexico Magazine

What a great collection of photographs. Nearly all are pictures I have not found in any other books on Albuquerque history so this is the next best thing to sitting in the photo archive rooms of the Albuquerque Museum and UNM. I'll bet you will do what I did; drive around ABQ finding the spots where the photographers stood and, in most cases, weep!

My dad loved this
