## Customer Reviews

Great quality. Woks perfectly for my soft cover Bible. Provides great convenience and protection for my Bible when taking it to church, Bible study, traveling, etc. I've looked at several book covers at our local religious book store but none of them worked as well as this one, especially having a soft cover Bible. Highly recommended.

It provided me with a perfect fit for my Bible.

i ordered the medium size and the tag on the case says medium, however the dimensions are that of the large size. this does not fit the bible that I purchased it for and is now useless. I checked the dimensions before purchasing to make sure that it would fit and still got the wrong one.

First off, every other reviewer was right.... the dimensions for the size were definitely off. Way too big for my bible! And the color of this case was a little darker than the picture looks which definitely made the case look a bit manlier than I wanted.... ended up returning. For guys with a big sturdy bible this might be a good case though.

This Bible cover is amazing!!!! The fit is perfect for my KJV Study Bible. At first I thought it was going to be too big (even though I have the large print edition) but it truly wasn't. It fit with enough room to put little tablets in both the front and the back and nothing falls out. The quality of the cover was amazing considering the price and the Bible Verse stands out just right.

My mom loved this and she is so picky!!! It's very well made and I love it! Only suggestion is there is a pocket in the back to insert things and maybe it'd be better with a zipper but nothing falls out either way.

This bible cover is really nice and fits my large print study bible with room to spare. The quality is good and it looks like leather. It's a nice way to keep your bible looking new and it's great for a man or woman.

I love this Bible cover. It's beautiful, and it fits my large NLT Life Application Study Bible.
