Synopsis

When they step into the Imagination Station, kids experience an unforgettable journey filled with action-packed adventure. With each book, theyâ ™re whisked away with cousins Patrick and Beth to embark on a new journey around the world and back in time.This easy-to-read adventure is number 18 in the successful series that has now sold over 450,000 books in the series. Patrick and Beth arrive on an orphan train, heading west. They befriend an orphan who is falsely accused of being part of a train robbery. No one will adopt the child. Patrick and Beth stay with their new friend until the end of the line. All the while, they search for Eugene, who is missing somewhere in time.

Customer Reviews

if you are able, just order the entire collection. Hide them and dish out one by one to your little reader. These things were like currency. Seriously my son would gladly complete lessons etc to get his hands on the latest book. He’s been reading and re-reading the entire series for a couple of months now. I chose these as an alternative to magic treehouse, and have no regrets about it.

My daughters love this series, each one seems to be more exciting than the last! They eagerly await the next installment!

My son and I read this together. He loves the AIO books. Since this had a train in it it was one of his favorites. Of course he said Jessie James belongs in jail.

My has read all the books in this series. He completed this book within a couple of hours after his homework. Please keep the series coming and expand to levels for the middle school student.

Wow! My daughter read it in one day, and she went to look for the full story of Jesse Jackson, who is one of the main characters on the story.

I would recommend this book to anyone who loves adventure! It's fun and exciting!! Definitely a great read! ILove it!!

These books are great. My 10 year old daughter LOVES them. She can't put them down. She has re-read them quite a few times.

My son loves this book. we have the entire series and look forward to the next book coming out.
