Really gave us a good background on how to best spend our time.

I have always been a fan of the Frommer's guides. I purchase them for all the places I hope to travel, even if I don't have a specific travel plan in mind. I find them interesting and informative. I enjoy the descriptions of the area, highlights and overall the way the books flow. Frommer's Edinburgh and Glasgow Guide does not disappoint.

Frommer guide always helpful from the planning of our trips right on through the trip itself.

Appreciate getting book ahead of time and in perfect condition.
