# Historic Preservation Law (University Casebook Series)

## Synopsis

The casebook is the first comprehensive set of teaching materials for this fascinating and increasingly important area of law. The field of historic preservation law encompasses many topics, from urban revitalization to Native American cultural sites, which are interesting to students and vital to contemporary practice. It contains carefully selected and edited cases, statutory and regulatory provisions, scholarly analysis from diverse fields, and original explanatory text. The authors included illuminating photos and drawings throughout the casebook. Historic Preservation Law gracefully supports teaching a specialized law school course or an introductory law course in a planning, historic preservation, or architecture school.

## Book Information

Best Sellers Rank: #1,255,437 in Books (See Top 100 in Books) #113 in Books > Law > Administrative Law > Land Use #11777 in Books > Textbooks > Law

## Customer Reviews

Very informative, but cost nearly \$200!? I don't think that this book vales that much.

Not for the uninitiated. Very into legal issues and not for the amateur. I returned it. There are other books that are better.
